

More vape shop listings arrived than left, after a ban

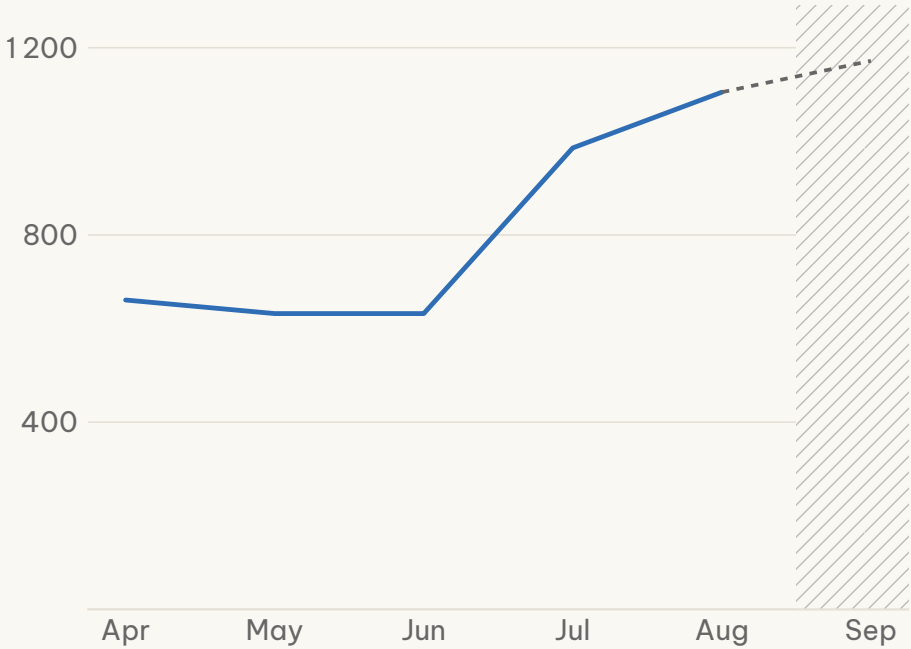

A net gain of 411 listings, 62.2% of the 661 listed in April 2026.

Vape and smoke shop listings that arrived, by province

Vape and smoke shop listings, by month

Vietnam banned the production, trade and import of e-cigarettes and heated tobacco from 1 January 2025.

No province had more new listings than Hồ Chí Minh City.

These are listings, not inspected shops.
